CALORIE CONTENT: 4481 KCAL/PO

FEEDING GUIDE:

Feed whole as a treat in moderation or substitute and use as the main meal. Some when feeding a GRM or SRM they make fine diet.

This product is intended for intermittent or supplemental feeding only. Always provide access to fresh drinking water for your pet.

STORAGE: Keep freeze-dried products sealed and stored in a dry place away from direct sunlight and moisture. Use it no later than 30 days after opening.

SAFE HAMBONDS: This is a pet treat and not intended for human consumption. Supervise while feeding. Avoid toxicity, obesity, diarrhea, and other related issues with some, and warm water after handling.
